The Twelve Steps of Narcotics Anonymous

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a Power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God as we understood Him.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed, and became willing to make amends to them all.
9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
10. We continued to take personal inventory and when we were wrong promptly admitted it.
11. We sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

.2021

The Twelve Traditions of Narcotics Anonymous

1. Our common welfare should come first; personal recovery depends on NA unity.
2. For our group purpose there is but one ultimate authority — a loving God as He may express himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for membership is a desire to stop using.
4. Each group is autonomous except in matters affecting other groups or NA as a whole.
5. Each group has but one primary purpose — to carry the message to the addict who still suffers.
6. An NA group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every NA group ought to be full self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. NA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion, we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our traditions, every reminding us to place principles before personalities.

.2021

The Twelve Concepts of Narcotics Anonymous

1. To fulfill our fellowship's primary purpose, the NA groups have joined together to create a structure which develops, coordinates, and maintains services on the behalf of NA as a whole.
2. The final responsibility and authority for NA service rests with the NA groups.
3. The NA groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.
4. Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
5. For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.
6. Group conscience is the spiritual means by which we invite a living God to influence our decisions.
7. All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes.
8. Our service structure depends on the integrity and effectiveness of our communications.
9. All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making processes.
10. Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.
11. NA funds are to be used to further our primary purpose, and must be managed responsibly.

.2021

12. In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never government.

MISSION STATEMENT

The Northern New Jersey Regional Service Committee of Narcotics Anonymous is a Service Board directly responsible to its Member Areas. The NNJRSC pools and develops local service resources that can be used by groups and areas in better fulfilling their responsibilities. This body does not govern and only carries out what is assigned to it through group conscience.

THE PARTICIPANTS OF NNJRSC

The NNJRSC Defined:

The NNJRSC is an assembled body of representatives from member Areas in the Northern Region of New Jersey. It meets every two (2) months to do business as per the member areas. The meetings are non-smoking with 5-minute breaks every hour. Only RCM'S, or in their absence, the RCM Alternate, has a vote on any business conducted. On WSC years it meets monthly from January to April due to the Conference Agenda Report (CAR). In March we will meet on the first Sunday to wrap up the events of the CAR. Business at these meetings is conducted in the manner described in these guidelines as well as those described in "A Guide to Local Services in Narcotics Anonymous", which has been adopted into this body's policy through group conscience.

The NNJRSC Sub-Committees Defined:

1. THE ADMINISTRATIVE COMMITTEE

The Administrative Committee coordinates the services that are offered to the member Areas through the NNJRSC. The members elected to serve on this committee are trusted servants who have served in Narcotics Anonymous and have gained the experience necessary to qualify them for these positions of trust. The members of the Administrative Committee consist of the Chairperson, Vice-Chair, Secretary, and Treasurer. They may only second motions; chairperson excluded but may not vote in the regional committee meeting. Members of the Administrative Committee are limited to two (2) consecutive terms.

2. THE JOINT ADMINISTRATIVE COMMITTEE

The Joint Administrative Committee consists of the Chairperson of each of the Standing Committees, Ad-Hoc Committees, Select Committee, the RD, AD, RDAA, BOT Chairperson and Vice-Chairperson, the Administrative Officers, and those the Administrative Chair requests. This committee will meet if a motion has been tabled to the Committee, or an outstanding issue needs to be discussed. They have no

.2021

power of their own but to present all findings and recommendations to the NNJRSC. The NNJRSC Vice-Chair sets the agenda and conducts the meeting, and reports to the NNJRSC.

There will be at least two yearly JAC meetings to discuss the budget. The first meeting will be in September to develop the budget for the next year. The second will be in March to evaluate how the budget is progressing. Each trusted servant should attend and present

a detailed, proposed budget at the September meeting and report on their progress for the March meeting.

3. STANDING COMMITTEES

The Standing Committees are usually referred to as Sub-Committees. These committees are formed for, and when there is a specific need for them. The work performed and the services rendered to the member Areas by these committees are the reason for having the NNJRSC. More than a few good members are required to accomplish the work these committees perform. The Chairperson of these Standing Committees may make and second motions but may not vote in the regional committee meeting. The Committee as a whole may make motions. If the Committee makes a motion, it does not require a second.

4. AD - HOC COMMITTEES

An Ad-Hoc Committee is a special committee directed by the voting participants to perform for, and when there is a specific task brought onto the floor of the NNJRSC. Other than to report, an Ad-Hoc Committee has no voice in the regional committee meeting. The regional committee must vote for its feasibility and the NNJRSC either chooses, by voting process, the Chair of the AD-Hoc, or it may direct the NNJRSC Chairperson to appoint a Chair. These special committees are disbanded when their task has been completed.

5. SELECT COMMITTEES

A Select Committee is a special subcommittee formed, whose Chairperson is appointed by the NNJRSC Chairperson. The Select Committee's specific task is decided by the Regional body. This committee is directly responsible to the NNJRSC and to report its findings. Other than to report, a Select Committee has no voice in the regional committee meeting. These special committees are disbanded when their task has been completed.

6. THE BOT COMMITTEE

The Board of Trustees is the body that exercises the powers stated in the by-laws of the NNJRSC Convention Corporation. They are responsible for ensuring that the

.2021

NNJRSJ Convention Corporation is legally compliant with the corporate laws of the state of New Jersey. The BOT Chairperson is a signatory of the NNJRSJ Convention Corporation account. They handle all corporate and legal aspects, audit the NNJRSJ Convention Corporation bank accounts on a quarterly basis, work with the Convention Sub- Committee on any corporate/legal issues they may have, and carry out the duties assigned by the NNJRSJ. They give a report at the regular NNJRSJ Meeting and a concise annual report after the close of the Convention year. They have a final say on all corporate and legal matters.

For specifics on Board of Trustees duties and responsibilities, please refer to NNJRSJ Convention Corporation. Inc. By-Laws document

INDIVIDUAL PARTICIPANTS DEFINED:

1. REGIONAL DELEGATE (RD)

Is a duly elected trusted servant of the NNJRSJ. The RD is generally a very experienced and highly trusted person whom the NNJRSJ has chosen to represent them at other levels of NA service. The RD may make and second motions but has no vote in the regional committee meeting.

2. ALTERNATE DELEGATE ALTERNATE (AD)

Participates as the RD in the RD's absence.

3. REGIONAL DELEGATE SECOND ALTERNATE (RDAA)

Participates as the RD in the RD's absence.

4. REGIONAL COMMITTEE MEMBER (RCM)

Is the trusted servant of the member Areas. The RCM's may make and second motions and are the ONLY VOTING PARTICIPANTS of the NNJRSJ.

5. REGIONAL COMMITTEE MEMBER ALTERNATE (RCMA)

Participates as the RCM in the RCM's absence.

6. MEMBER-PARTICIPANTS

Is any member of NA who supports member groups and areas of the NNJRSJ, may be heard in the regional committee meeting. These participants may petition the Chair to be heard when they have a need but should always try to speak to the RCM or RCMA representing their area. They may not make or second motions and have no

.2021

vote in the regional committee meeting. Their experience and energy, however, are much needed at the committee level, and should be encouraged to serve when and where they can.

7. NON-MEMBER PARTICIPANTS

The need occasionally arises for members of NA, from other Areas and Regions to share their experiences, strength, and hope in NA service with the NNJRSC. These persons may petition the Chairperson to be heard. They may not make or second motions and have no vote in the regional committee meeting.

8. NON-MEMBER GUESTS

Any others present, who are not members of NA, are guests of the NNJRSC. These persons usually attend as observers or are invited by the Chairperson to share in their personal area of expertise. The Chair may solicit comments from these individuals. Otherwise, they have neither a voice nor vote in the regional committee meeting.

RESPONSIBILITIES OF THE NNJRSC TRUSTED SERVANTS

GENERAL SERVICE

General Service provides the support necessary for Groups and Areas of NA members so that they may act together for their common good and carry the message of NA recovery to the suffering addict. This kind of service not only helps the addict who still suffers but makes available to the society it serves a workable program of recovery for the drug addict to whom other types of help have seemed to be just a wasted effort.

Narcotics Anonymous exists in many areas as an obscure, unrecognized drug program about which little is known. Yet in most communities where groups are active, the often-surprising success of our Fellowship is gratefully acknowledged. Virtually all communities that know of us are glad to have us around. It is no longer enough to have a few members getting together to keep their Groups going. NA has grown and will continue to grow at even a faster rate. Without General Service we will have no way to take care of the business of providing the Groups and Areas with the intercommunication and other services we need so that they may continue in their primary purpose:

TO CARRY THE MESSAGE OF NA RECOVERY TO THE ADDICT WHO STILL SUFFERS

For the addict in or not yet in recovery, the result would be disastrous.

To function, NA needs active support, **YOUR SUPPORT! PARTICIPATE IN FUNCTIONS! GET INVOLVED IN NA!** The work is hard and often frustrating. Work hard! Seek to serve whenever and wherever you can. Your personal return will be tenfold.

General Service is for any NA member who wishes to get involved. It has contributed greatly to the growth of NA. Any elected position in the service structure is General Service. Committees are formed to meet our specific needs and are an integral part of General Service. Some members feel it is the “getting on with the business of NA” and wish to be a part of that effort.

NOTE: NNJRSC Trusted Servants serving the Region as RD, AD, RDAA, Standing, Ad-Hoc or Select Committee Chairpersons, Administrative Officer, and BOT member normally have gained experience in service by fulfilling full term commitments in NA and demonstrate a good working knowledge of the Twelve Steps, Twelve Traditions, and Twelve Concepts of NA.

PERSONAL SERVICE

The members, the meeting, and the Group provide what is frequently called Personal Service. This kind of service is based on the one-to-one addict sharing experience, strength, and hope that is the foundation of recovery. Sponsorship is Personal Service. It is at this level that we find personal identification with others with similar problems and experiences and the hope so necessary to continue. Here also is our first introduction to the Narcotics Anonymous program. The Twelfth Step is a matter of personal service, and obviously the most important aspect of service. Without the Twelfth Step, the program would wither and die. Personal Service is an effort to carry the message of recovery in Narcotics Anonymous to the addict who still suffers. Every member of the Fellowship has the responsibility to provide this aspect of service. The most basic form of Personal Service is bringing a newcomer to an NA

.2021

meeting. We have found that we can strengthen and maintain our recovery when we offer this kind of service. Personal Service can be any type of service in NA that does not have to do with an elected position. Making coffee and cleaning ashtrays is Personal Service, as is sharing at a meeting, giving rides and working the Twelfth Step.

ELECTION PROCESS

Doing service is no easy task at any level. It requires a commitment to personal recovery above all else. We depend on those who serve us to report on their activities completely and truthfully. Our leaders must have sufficient integrity to hear others well, to compromise and to demonstrate the courage of their convictions, as well as the ability to surrender. We seek trusted servants who are willing to expend their time and energy in the diligent service to others, studying available resource materials, consulting those with more experience and carefully fulfilling the tasks we've given them. Clear, frequent two-way communication is an important prerequisite. So long as our committees regularly issue complete, candid reports of their activities, we can be confident that we have delegated our authority wisely. (Concept Eight). We apply the Sixth Concept when we invite a loving God to influence us before making service-related decisions.

QUORUM

A quorum (the number of voting members who must be present in order to conduct business) for the NNJRSC is a majority of all eligible voting members. In our Region, each Area gets one vote. That vote can be cast by the RCM, the RCM-A or another representative chosen by the Area. A person may not act in a voting capacity and fulfill another position during a Regional session. If they are chosen to serve in their Area in this capacity, their Vice Chair, etc. will act as the Chair of the committee for the duration of the Regional Session. As for quorum, we need a majority of the Areas represented. If there are 12 Areas in the Region, we would need 7 RCMs or their Alternates to open Region and conduct business.

VOTING PROCEDURE

The Facilitator first asks if there are any objections to the motion. If none are voiced, the facilitator declares that the motion passes by unanimous consent. If there is any objection, the facilitator asks for a show of hands of those in favor of the motion. Then the Facilitator asks for a show of hands of those opposed to the motion, and then asks for a show of hands of those abstaining from voting.

The goal of a vote should be to determine the conscience of the body. If less than half (less than two thirds for a Policy vote) of the voting members are in favor of an idea, then it doesn't have a clear group conscience. An abstention does impact the outcome of a vote because it is effectively counted as not being in support of the motion. Whenever there are abstentions in a vote, except elections, we go around the room and ask each abstainer if they would like to elaborate as to why they abstained. Discussion should be limited to one minute per person. The results of votes on motions will be recorded in the minutes, including for, opposed, and abstentions.

ELECTION PROCEDURE

Elections for trusted servants at The NNJRSC must **always** abide by the following procedures:

1. The qualifications and responsibilities for the specific position are read out loud.
2. The chairperson shall open the floor for volunteers and, or nominations. Any addict, who is present at The NNJRSC, is nominated by, or whose nomination has been seconded by an RCM or RCMA is eligible to be a candidate.
3. The floor will remain open until there are no more volunteers or nominations and a last call for either is made.
4. Candidates will state their qualifications in the order that they volunteered or were nominated.
5. The floor will open for any questions to the candidates.
6. The volunteers and, or candidates will be asked to leave the room and the floor will open for discussion of candidate's qualifications and any pertinent information.
7. The floor will be closed for discussion and voting process will begin.
8. Each member area will have only one vote in the election.
9. The chairperson will call for votes on candidates in the order that they volunteered or were nominated.
10. The secretary shall temporarily record the number of votes for each candidate, discarding the record immediately after the election is concluded.
11. The eligible candidate with the majority of votes will assume the position that the election was held for.

In the unlikely event that no candidate has a majority of votes the following procedure will determine who will assume the position the election is being held for:

- A. The candidate with the least votes will be eliminated from eligibility and the voting procedure instituted again.
- B. In a case where two or more candidates have been eliminated leaving a single candidate, the chairperson shall call for a vote of confidence confirming the single candidate as elected. If no vote of confidence is given the single candidate will be eliminated and the election procedure will be instituted again with the remaining candidates.
- C. In a case where there is a tie with more than two candidates a number of elections equal to the number of candidates will held. A different candidate will be left out each time
- D. In the eventuality of a tie the chairperson will call for a vote of confidence to cast the tie- breaking vote.

REQUIREMENTS

These positions require a commitment of at least one year, and in some cases two or more. You may be asked to make considerable investment of your time you may be asked to travel to other service meetings; you may also be required to spend some of your own personal funds in order to fulfill your responsibilities, such as tolls, gas, telephone calls, etc. You will have work to do at home in your spare time, such as reading or writing reports and discussing plans and objectives with other members.

Our service bodies must also manage funds responsibly, accounting fully and accurately for its use to those who have provided it. Accountability is another aspect of responsible NA financial management. Consistent financial records help us make realistic spending plans for future service activities. In order to provide our Fellowship with the very best level of service possible, we ask our members to carefully consider the responsibilities that go with the elected position for which they may be nominated or volunteer for. Service on any level has many rewards and may have a profound effect on your personal recovery. However, it does not come without hard work, long hours, dedication, and personal sacrifice.

ELECTION OF NNJRSC OFFICERS

The Administrative Committee requires a substantial amount of clean time and personal maturity should be the first consideration along with experience. Our Trusted Servants should demonstrate the stability and personal sense of direction that serve as an example to others. Newly elected trusted servants assume role once the meeting in which they are elected.

GENERAL RESPONSIBILITIES

Each Regional officer, sub-committee Chairperson and Chairperson of any board created by this body is responsible for maintaining accurate records and minutes of all meetings, policy guidelines, budget information, accounting records, (if applicable), and any other paperwork and computer discs relevant to the sub-committee. **This information must be brought to the Region at the December meeting to be turned over to the newly elected officer for the coming year.**

Requirements should not, and, in some instances **CANNOT** be waived. NNJRSC members may succeed themselves in office, but in keeping with our Ninth Tradition and the principle of rotation, **the officers on the Executive Committee, specifically the Chair, Vice Chair, Secretary, Treasurer, Policy Chair, and Regional Delegate are limited to two consecutive terms. It is recommended that Sub-Committee Chairs do not serve more than two consecutive terms.** A term is defined as 75% of the length of the term. All elected NNJRSC servants must resign to the Regional body. **Any NNJRSC officer or subcommittee Chair may be removed during their term by a majority vote of the NNJRSC.** Elected servants begin their position at the end of the meeting they are elected unless motions #57 and 73 are in effect.

Removal of Trusted Servants

Trusted Servants may be removed from their positions by a two-thirds majority vote of the Region. Grounds for removal are as follows:

1. Failure to attend two consecutive JAC and/or Regional meetings during their term.
2. Relapse as defined by the Fellowship of Narcotics Anonymous.
3. Conviction of a felony or equivalent offense that they committed during their term of office.
4. Declared to be of unsound mind by a final order of a court.
5. Misappropriation of Narcotics Anonymous funds.

Any and all trusted servants can be removed and voted out of their commitment with a two-thirds majority vote for failure or inefficiency to fulfill the requirements, responsibilities, and/or duties as outlined in the NNJRSC policy.

After the second meeting the Trusted Servant missed, they will be brought up for review. The Secretary will email the attendance list to the Chair, and the Chair will call the Trusted Servant in question and email the Region to inform them the person will be brought up for review. The review will happen prior to Old Business. At that time, the trusted servant in question will discuss their absence, and the Member Participants will discuss it. At the end of the discussion a vote will be taken. Removal will occur if two thirds of the voting members present agree.

NNJRSC REGIONAL DELEGATE (RD)

The RD serves as the primary contact between Narcotics Anonymous World Services (NAWS) and the local NA community. On the one hand, the delegate provides information on current world projects to the regional committee. On the other hand the delegate offers a local perspective to the work of world services. During the RD's two-year term, he or she attends the World Service Conference as a fully active participant, for while the delegate is elected by and accountable to the regional committee, he or she is not a mere regional messenger. **The delegate is selected by the region's group representatives and RCM's to act in the best interests of NA as a whole, not solely as an advocate of his or her NA community's priorities.**

From time to time, **NAWS** may ask regional delegates for their input. Delegates often respond to these requests on their own. In matters of wide concern, however, delegates may feel they need to hear broader discussion before they can reply. At such times, they might ask the regional committee to discuss the subject in its sharing session. With that foundation in the region's group conscience, delegates can be confident that the response they offer to world services is a well-considered one. If the matter seems likely to seriously affect NA as a whole, delegates may even consider going directly to the region's NA membership with the discussion, asking the regional committee to organize a service forum around the topic at hand.

STANDING COMMITTEES

Since the NNJRSC bears final responsibility for the operations of its sub-committees, **all NNJRSC participants need to be as informed as possible about sub-committee activities.** The balance between accountability and delegation is a delicate one. If the NNJRSC delegates too much authority to its sub-committees, the NNJRSC will not be able to account fully for itself to the areas and groups it serves. **The NNJRSC should pay careful attention to the Twelve Concepts, especially Concept Five, when creating sub-committees, giving them sufficient liberty to serve freely while still maintaining accountability.** The NNJRSC is responsible not only to develop and maintain sub-committees in each field of service, but also to coordinate the work of each of those subcommittees with the work of the others. Moment of silence for the still suffering institutionalized addict.

WHAT IS H&I?

A hospitals & institutions meeting is a special or introductory meeting held within a facility in which a regular N.A. meeting cannot or should not be held. H&I meetings can

.2021

be held in jails, prisons, treatment centers, rehabilitation programs, recovery houses, detoxification units and mental hospitals. A variety of formats may be used, depending upon local norms and the type of facility.

Since H&I work is one of those areas within Narcotics Anonymous that carries the message extensively to newcomers and the public as well, it must never be taken lightly. Members who involve themselves in this work are those who are applying the Twelve Steps in their daily lives and who have a working knowledge of the Twelve Traditions. They bring to their service work an enthusiasm for the lifestyle of recovery.

The initial approach to start an H&I meeting is done in cooperation with an area H&I committee. Be sure that any H&I meeting you begin is a team effort among N.A. members

WHY IS AN H&I MEETING NEEDED?

We know that for many of us our disease eventually led us to “jails, institutions and death”. While we unfortunately cannot help the addict who has died, we can certainly offer hope and recovery to addicts in jails and institutions. To fulfill this responsibility, we have developed a special type of meeting called the H&I meeting. This was necessary because the rules and regulations of many facilities and our own need to observe the 6th Tradition carefully, make it impossible to form a regular N.A. group within the facility. In a spirit of cooperative non-affiliation, the H&I meeting effectively brings the badly needed message of recovery to institutionalized addicts without violating N.A. Traditions or the institution’s rule.

WHAT ARE THE TWELVE TRADITIONS OF NA?

We keep what we have only with vigilance and just as freedom for the individual comes through the Twelve Steps, freedom for the group and the service committee comes through the Twelve Traditions.

1. Our common welfare should come first; personal recovery depends on NA unity.
2. For our group purpose there is but one ultimate authority — a loving God as He may express himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for membership is a desire to stop using.
4. Each group is autonomous except in matters affecting other groups or NA as a whole.
5. Each group has but one primary purpose — to carry the message to the addict who still suffers.
6. An NA group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every NA group ought to be full self-supporting, declining outside contributions.

.2021

8. Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. NA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion, we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our traditions, every reminding us to place principles before personalities.

WHAT IS THE NNJRSC H&I COMMITTEE?

1. General Purpose:

Many of us, now recovering in NA, first heard the message of recovery while in a hospital or an institution of some kind. We, of this service body, acknowledge the vital importance of carrying the message in this manner. NNJRSC
TREASURER' S
GUIDELINES**

.2021

Northern New Jersey Regional Service Committee
Treasurer Guidelines

A. OVERVIEW

The NNJRSC's Treasurer will be handling large sums of money. The Guidelines set forth in this section are based on the experience of past regional committee treasurers and are to be used by all future Northern New Jersey Regional Service Committee treasurers. These financial guidelines are set forth to help the Regional Service Committee to (1) function effectively, (2) ensure financial credibility and (3) remain directly responsible to those they serve - the N.A. Fellowship within the Northern New Jersey Region.

B. REGIONAL SERVICE COMMITTEE FUNDING

The committee will be funded primarily through *Area donations, proceeds from the Northern New Jersey Regional Convention, and occasionally fundraising activities.*

C. REQUIREMENTS

The Treasurer **must have at least five (5) years clean in N.A., the clean time for this position cannot be waived.** Past experience as an *area or regional treasurer* is desirable; however, the Treasurer should definitely have experience in accounting practices or bookkeeping knowledge. The records kept by the Regional Service Committee Treasurer must be accurate, in detail and complete.

The Treasurer is responsible for all funds that flow in and out of the regional treasury. The Treasurer maintains the regional bank account, writes all checks and makes all the deposits into the regional bank account. The Treasurer also has possession of all receipts of all the transactions made by the Regional Service Committee.

The Treasurer submits a written report at all regularly scheduled Regional Service Committee meetings.

Should there ever be a money problem within the committee, the Fellowship is going to look to the Regional Treasurer for an explanation. It is for this reason that the Treasurer should have some document or receipt for every transaction made.

D. THE TREASURY "BOOKS"

The Treasurer is responsible for the committee's records or "books". The "books", as they are referred to, are: (1) the check register, (2) the journal and (3) the ledger. The Treasurer should have these books present at all NNJRSC meetings and will make them available when requested by anyone associated with the Committee.

.2021

It is suggested that the Treasurer contact the previous year's Regional Service Committee Treasurer in regard to setting up and maintaining the books. Listed below are some of the basic income and expenditure areas of the Regional Service Committee:

Income

Area donations
Helpline Donations
Meeting List purchases
Fundraising proceeds

Expenditures

P.O. Box
Regional Secretary copying & mailing expenses
Joint Administration Committee meeting place
Shared Helpline expenses
Meeting Directories expenses
R.D. travel, copying and phone expenses
All Subcommittee expenses
Conference Agenda Reports
Convention Seeds
M.A.R.L.C.N.A. attendance expenses

Note: It is best to break down all income and expenditures as much as possible. There is no limit to the number of accounts that can be created within the books.

E. THE REGIONAL BANK ACCOUNT

The NNJRSC maintains a bank account. The Treasurer is not a signatory on the account, but the bookkeeper responsible for maintaining the check register, collecting, and dispersing funds, writing checks and making deposits.

The following policies are for Regional Service bank accounts:

1. Two (2) signatures are required on all checks written. The Bank requires one (1) signature.
2. There will be four (4) signatures on the bank account. :
 1. The Regional Service Committee Chairperson.
 2. The Regional Service Committee Vice-chairperson.
 3. The Regional Service Committee Secretary.

.2021

4. The Regional Delegate.

Once the Regional Service Committee Treasurer is elected, give the bank new signature cards. Also, each time a new R.S.C. Chair, Vice-Chair, Secretary, and/or RD is elected, new signature cards will need to be given to the bank.

F. OUTGOING FUNDS

Bills may be submitted, and committee members may be reimbursed as long as there is some written document given to the Treasurer.

The RD and the AD are to be reimbursed for their regional service expenses as receipts are given to the Treasurer.

One-half (1/2) of the Shared Helpline expenses is to be paid to the NJRSC upon receipt of the bills.

Our share of the Meeting Directories expense, as determined by the Meeting Directories Chairperson, is to be paid upon receipt of the bill.

The Treasurer must give a financial impact statement of each motion requiring a disbursement of funds.

G. SUBCOMMITTEE BUDGETS

Good financial planning is essential for a successful year. **Committees should submit their “projected” budgets as early on as possible.** Reviewing the previous year’s final treasury report should give committee chairs some ideas as to how much money they will need to perform their duties and run their committees. There will be a JAC meeting in September of the year before to estimate our expenditures. These “Expected Expenses” are not a guarantee of funds, but rather a benchmark for what the Region expects to spend.

The J.A.C. should carefully review all committee Expected Expenses. Committee Expected Expenses need to include estimated time when funds are to be needed. No committee funds will be disbursed until a proposed Expected Expenses are submitted.

Once the committee expected expenses have been approved, disbursements of funds will only occur after a motion is submitted and approved by the RCMs.

Whenever money for an event is requested by any Regional Trusted Servant, a thumbnail line-item description will be needed with a breakdown of how the money is to be used before the money can be approved and disbursed. When the funds are requested, the RCMs may approve some portions of the request but not others even if the amount is within the Expected Expenses.

Important: There should be no money transactions between committees; all committees get their monies directly from the main treasury. This ensures that the committee knows exactly how much money is coming in and from exactly where. This also lets the committee know exactly how much it is spending and where. All funds held by committee chairs should be turned over to the Treasurer at the conclusion of their terms. Such funds will be audited and redistributed by the Treasurer to fund the incoming committee chair.

Note: Every financial transaction by any committee should be accompanied by a receipt or document.

H. PETTY CASH FUND

It is best to try to pay all bills and reimbursements in Check, this way you know that you have a receipt in the cancelled check. However, this is not always appreciated by some committee members.

Set up a petty cash fund of \$50.00 and if any members wish to be reimbursed in cash, then they can be, as long as it is under \$50.00. As always, never give any money (check or cash) without a dated, detailed, signed receipt.

Always encourage committee members to take a check first and if they insist, then give them cash.

I. BOUNCED CHECK POLICY

It is a sad but true fact that some of our members are not yet ready to be responsible members of society and there will be bad checks written. If any checks bounce, the Treasurer will inform the member and/or Area that they may “make good” on the check. We will also ask the Area or member to pay any service charge that was charged to the Regional Service Committee.

J. THE TAX RETURN

A Federal Tax Return must be filed no later than April 15th. Also, a report must be filed with New Jersey State Tax Department. The Regional Service Committee has hired an accountant to file these forms and reports for us. Copies of past returns are held by the Secretary, as well as the Treasurer.

K. TAX EXEMPTION

The Northern New Jersey Regional Service Committee, Inc. is a non-profit, tax-exempt organization. This means we are/will be exempt from state income taxes, Federal income

.2021

taxes and state sales tax. There are forms and reports that we give to businesses that we deal with. These can be used for a one-time purchase or for continued purchases from the same business.

These forms can be obtained by the Treasurer from our Accountant and are for the Regional Service Corporation only. Copies of them should be retained by Regional Service Corporation so we know where and how and for what purchases they were used.

L. ADDITIONAL POLICIES

1. To limit the money for region refreshments to \$100 for food and drink plus whatever rent for the facility being used.
2. Allow the order of the list on the treasury budget to serve as an understood priority list when making decision about how to disperse funds. To include a more detailed breakdown under the Regional Delegate team expenses to serve as more contextual priority for the same.
3. To direct the Northern New Jersey Region Service Committee (NNJRSC) to pay all the financial expenditure for the (monthly conference year) bi-monthly non-conference years. The amount up to \$300.00.
4. All monies collected at Regional Meeting are deposited within 48 Hrs.
5. All funds held by sub-committee chairs should be turned over to the treasurer at the conclusion of their terms. Such funds will be audited and redistributed by the Treasurer to fund the incoming sub- committee chair.
6. When a Sub-Committee, the RD, or the RSC as a whole request funds,
 - a. a thumbnail line-item description of expenses will be needed in order for money to be disbursed.
 - b. the RCMs may approve some portions of the request but not others even if the amount is within the overall expected expenses.
7. To accept the Expected Expenses as a framework for planned expenses
8. All monies collected at Regional Meeting are deposited within 48 Hrs.
9. For when the Region body is unable to meet in person, checks and donations are to be sent straight to Treasurer for interim so she can deposit them
10. Establish Venmo, PayPal, Zelle and Line2 accounts in order to accept electronic donations/payments based on group and area needs. Venmo, PayPal, and Zelle accounts would be attached to the Area bank account. We will use an nanj.org email account for this.

.2021

11. Included as part of expected expenses for each year will be a Zoom account paid on a yearly basis for a current total of roughly \$150 annual.

M. TO FUTURE REGIONAL SERVICE COMMITTEE PARTICIPANTS These Guidelines are drawn from the experience of past Regional Service Committee and Board of Trustee members. They should be read, hopefully understood, and followed, as closely as possible. Good Luck!

57	3/2/2008	That the RD be allowed to register at the WSC for a single room.
58	10/5/2008	To Create and distribute to each Area an updated paper copy of NNJRSC policies (guidelines). This would also make the policy chair responsible for maintaining and updating the policies.
59	8/2/2009	That the Region establishes a permanent Audit Subcommittee. This Committee will be chaired by the Regional Vice Chair and include the Policy Chair and two (2) other members of the Region. Members of the Audit Committee can keep their existing commitment while being on the Audit Committee. The committee will conduct its audit between the August and October Regions.

66	8/1/2010	To require any regional subcommittees to utilize our NNJSC storage facility and not get independent ones.

68	6/5/2011	To make it the responsibility of the Regional Chairperson to be on the "account name" for the PO Box and that when the position changes, both the outgoing and incoming Chairs both go to the Post Office and change it to the new Chair.
69	5/5/2011	Put in Policy in the "Treasurer Duties" to pay the annual PO Box bill before the bill is due.
70	10/2/2011	Whenever money for an event is requested by any Regional Trusted Servant, a complete detailed report must be presented with a breakdown of how the money is to be used.
71	3/4/2012	Remove all places in policy where monies are set values and instead have it explicitly refer to the treasury budget for guidance.
72	3/4/2012	To schedule at least one yearly JAC meeting prior to the fiscal year ending (December) to discuss the next year's budget. Each trusted servant should attend and present a detailed proposed budget.
73	3/4/2012	Allow the order of the list on the treasury budget to serve as an understood priority list when making decision about how to disperse funds. To include a more detailed breakdown under the Regional Delegate team expenses to serve as more contextual priority for the same.
74	3/4/2012	Treasurer Report needs to be modified reflect how meeting lists costs are not technically part of the budget. It's a literature purchase. This will help in the coming years when the next round of trusted servants needs to analyze the budget.
75		To discontinue the practice of H&I giving away meeting lists to ASC's H&I chairs. We believe that is not the region's responsibility to be distributing

2021

75	3/4/2012	literature. If the fund flow is coming from the ASCs to the RSC and then we are incurring costs to give literature back to the ASCs it potentially doesn't allow other important functions to operate.
76	3/4/2012	To discontinue the helpline donation which is extremely outdated and confusing and instead to institute a \$4 suggested donation policy across the board. Based off our calculations of the total budget, if each ASC in the NNJRSC contributed \$4/month on behalf of each group in their ASC only \$1.50 more than the previous helpline donation, we would be completely able to operate within our proposed budget and potentially be able to increase spending over the course of the next fiscal year. If there are 400 groups in the Region and each group donated \$4/month. That means we would have a yearly income of ~\$19,000. This would be way above our current proposed operating expenses of \$13,195. This of course doesn't include the costs of meeting lists which are not considered a budgetary item technically speaking, but more of an equivalent to literature purchase.
77	3/4/2012	To add three bullets to the requirements for the Meeting List Assistant: "1) Assist the Meeting List Chair with the responsibilities of updating and distributing the meeting lists, 2) Act as Meeting List Chair in the absence of the chair, and 3) Attends Shared Services."
78	6/3/2012	To form a technology Ad-hoc committee to determine if there are way to use technology beyond the scope of website committee.
79	6/3/2012	To purchase 3 posters 12 Step, 12 Traditions and 12 Concepts to have visible for each of our business sessions
80	6/3/2012	To accept "The Visio to NA Service" as a part of our readings to open up our business sessions.
81	6/3/2012	To amend motion #133 to state "to change the Helpline donation to a Regional Expense" and to change the amount to \$4 per month.
82	12/2/2012	To define how we accept reports. If a report includes money, it will have a breakdown including their budget and how much has been spent to date. Events must still be detailed as per Motion #70. Reports with money must be approved. If they are rejected the money will not be spent. If a report is rejected, the report will be received into the minutes and marked as not accepted with the reasons for the rejection stated.

83	12/2/2012	<p>The Facilitator first asks if there are any objections to the motion. If none are voiced, the facilitator declares that the motion passes by unanimous consent. If there is any objection, the facilitator asks for a show of hands of those in favor of the motion. Then the Facilitator asks for a show of hands of those opposed to the motion, and then asks for a show of hands of those abstaining from voting.</p> <p>The goal of a vote should be to determine the conscience of the body. If less than half (less than two thirds for a Policy vote) of the voting members are in favor of an idea, then it doesn't have a clear group conscience.</p> <p>An abstention does impact the outcome of a vote because it is effectively counted as not being in support of the motion.</p>
84	12/2/2012	<p>To define how we accept reports. If a report has no money, it will not be approved. It will be received. Any discussion about the report will be recorded by the Secretary and summarized in the minutes.</p>
85	12/2/2012	<p>To add the following language to the Regional Policy: QUORUM:</p> <p>A quorum (the number of voting members who must be present in order to conduct business) for the NNJRSC is a majority of all eligible voting members. In our Region, each Area gets one vote. This means we need a majority of the Areas represented. If there are 12 Areas in the Region, we would need 7 RCMs or their Alternates to open Region and conduct business.</p>
86	1/25/2015	<p>All funds held by sub-committee chairs should be turned over to the treasurer at the conclusion of their terms. Such funds will be audited and redistributed by the Treasurer to fund the incoming sub- committee chair.</p>
87	12/2/2012	<p>Each area will have one vote in all motions or elections. That vote can be cast by either the RCM, RCM-A or another representative chosen by the Area. A person may not act in a voting capacity and fulfill another position during a Regional session. If they chose to serve their Area in this capacity, their Vice Chair, etc. will as the Chair of the committee for the duration of the Regional Session.</p>
88	12/2/2012	<p>For the secretarial team to carry the copier</p>
89	12/2/2012	<p>To establish History and Archives as a standing shared services sub-committee and accept the proposed guidelines for same, as submitted by the Adhoc committee.</p>
